

Just when the sun goes down
And the sky turns to red
Safe from the cold, in my arms
Carried to bed

Quiet and warm, snug and dry
Now we lower the lights
And together we'll pray
And sing into the night

Sweet lullaby of dreams
I will sing you to sleep
Golden sun reaches out
He whispers to me
That the moon will rise
She will light up the sky
Let her stars be a guide
For you, baby goodnight

Moe moe pepe, moe pepe
Ala mai masina
Moe moe pepe, moe pepe
Ala mai masina
