

Bowel screening is easy

Do it for your whānau!

Talk to your doctor or
Free phone 0800 924 432

Free bowel screening is available every two years for people in the age range for the programme. A test kit will be sent to your home. This simple test can help find bowel cancer early when it can often be successfully treated.
When you get the test, just do it! It could save your life.
