

# Measles alert

## Watch for symptoms

Someone with measles was here on \_\_\_\_\_  
at \_\_\_\_\_

If you were here then too, you may have been exposed.

Measles is very contagious and serious – anyone who is not immune can get infected and become very sick.

**Stay at home** and free call **Healthline** immediately on  
**0800 611 116** if you develop any measles symptoms:

Red, blotchy  
rash

Fever

Sore, watery  
pink eyes

Cough

Runny  
nose

To find locations where you may have been exposed to  
measles, see [info.health.nz/measlesLOI](https://info.health.nz/measlesLOI)
